Cooperative Patient Fee System

Finally! An approach to life and health according to peoples' needs. My commitment is for every member of the community to have the opportunity to receive chiropractic care. We provide free lectures about chiropractic care for the entire community and we accept all people who desire chiropractic care.

Your life and health , and your families life and health are so important that I have adopted a fee system that allows EVERYONE to receive regular weekly chiropractic care.

Our recommendations are basically the same for every human being. We want to check you and your family's spine fore vertebral subluxations 3 times a week for the first 4 weeks and then a minimum of once a week for LIFE.

Initial Visit: \$70.00 (which includes exam and adjustment)

Options of Care After Initial Visit:

Per visit—only \$30.00

Per Month—**CANNOT BE BILLED TO INSURANCE!**

A. Single— \$90.00 per month

B. Family—\$150.00 per month

An incredible opportunity for 30 days of unlimited chiropractic!

Weekly lifetime care is recommended for the best benefits of chiropractic. This option allows our facility to give each human being the opportunity to get their spine checked a minimum of once a week for the rest of their lives.
